

## **Andreea Comşa** **General Manager**

Andreea Comşa is the General Manager at X3 Studios since January 2008.

Andreea Comşa joined the X3 Studios team in May 2004, as an Assistant Manager. During this time, along with improving her skills as an organizer and coordinator, Andreea specialized in Project Management. As Project Manager, her main duties were: client account management, initial project briefing, coordinating projects during all development phases, allocating resources, maintaining good relationships with clients.

Before working at X3 Studios, Andreea Comşa worked as an Assistant Manager at SC Mega Group SA, the Peugeot concessionaire from Timișoara.

Andreea was born on the 25th of July 1980 in Sibiu. She graduated the Economic Sciences College at the West University from Timișoara, with a degree in International Transactions, and got a Master Degree in Human Resource Management at the Sociology College. She also attended management courses (Project Management, Time Management, Efficient Argumentation and Negotiation Strategies) which helped her to get thoroughly into management.
